Since we don't have a meeting in September, I thought I would send out a reminder about the Cranberry Festival. As presented at our last meeting, this is a chance for members to sell some of your turning so that you can justify buying more toys for your shop. Please fill out the inventory sheets and put the stickers on the bottom of your products with the prices on them. If you have not done this, the item will be sold as a club product. The club thanks you for contributing items so that our club can continue to purchase things for the club and provide for special programs.

Jim Hodson has donated a beautiful quilted maple 14" platter to the club entitled "Fallen Leaves. It will be offered for sale at the Cranberry Festival, unless a member is interested in purchasing it before the festival begins. The platter will be priced at \$300.00. It is an extremely beautiful platter in orange and harvest gold fall colors. If this platter were sold through a gallery, the price would be at least doubled. The Board of Directors gratefully thanks Jim for his donation.

Our thanks goes out again to Rick & Joni Fox for heading up the Cranberry Festival. Please help us with contributing some time at the festival in set up, sales and making tops. This is a once a year fund raising function that the club has. Some of our usual helpers will be unavailable this year with health issues. Your time and efforts are much appreciated. It is always a time for fun and comradery.
