July 8, 2017

Meeting Notice:

Our next meeting will be held on: July 8, 2017 at 9:00am

We meet the second Saturday of each month in the woodshop of the Harding School in Coos Bay. The Harding Building is located below Marshfield High School on 7th Street. Parking is behind the building near the football/track field. Enter the workshop through the door on at the NW corner of the building. Look for our sign on 7th street and near the door to the classroom.

Members, Guests and Prospective members are welcome and encouraged to attend. Meetings begin at 9am and include a club raffle, show and tell, woodturning demo and regular club business. Coffee is also provided.

Tristan's Corner:

I think we finally have made it to summer. The North winds have been crazy this week and the fog is rolling in most afternoons. I guess this means that the Cranberry Festival is getting closer.

I will be away in Minnesota for the July meeting. Don't give Steve and the rest of the board too hard of time.

Sign-up sheets for the festival will be passed around at the meeting again. Please try and sign up on the volunteer sheets for at least 1 shift. The festival is our main fundraiser for the year. It also gives members a chance to make some money. The more volunteers we have the easier it makes the festival. If you plan on selling items, please be sure to sign up for at least one shift. If you can't attend the meetings, but wish to volunteer please contact one of the board members.

Tristan Holland - President

Jim's Program Notes:

Our demo this month will be, as you requested, a three-winged bowl. Ron Drath will be doing the demo. Ron is always very good about helping turners develop new skills.

Next month will be the planning session for the Cranberry Festival. We will also be setting up lathes to turn tops. Please make a lot of tops to donate to the club to help us pay the space rent. This is our one fund raising event we do as a club. Turning tops is always a good place to practice your tool usage technique. So it's helpful to you to hone your skills as well as support your club. Ann, Linda and I dedicated a day to making tops this month – it was kind of fun.

In October we will have Reed Gray here to demonstrate his new Robo Rest for bowl gauge sharpening and showing us his pro approach to bowl turning. He is incredibly fast at turning bowls. November will be Terry Gerrost demonstrating spiral turning. We will

not have meetings in September and December because of the Cranberry Festival and the holiday party.

Jim Toftner – Program Chair

Steve Vice-President

Steve Adams – VP

Treasurers Report

We have a balance of \$2504.26 as of today. We do have an outstanding balance of approximately \$560 for tent supplies.

Last month's revenue was a net of \$9.74, revenue of \$69 and expenditures of \$59.26. Expenditures were primarily for Lathe cart.

Scott Hoefs, Treasurer

Membership:

Nothing from Membership. But to please pick up your name plates and 'discount cards.'

Have a good Summer !!!

Bev Meyers

Secretary Report:

Ann Goulter

Library:

All is quite on the Library Front, so you may try AAW 's EXPLORE or

Woodturningonline.com they have product reviews etc.

In the meantime turn TOPS.

R. Kelley/SCWT Librarian
