Meeting Notice:

Our next meeting will be held on: March 11, 2017 at 9:00am

We meet the second Saturday of each month in the woodshop of the Harding School in Coos Bay. The Harding Building is located below Marshfield High School on 7th Street. Parking is behind the building near the football/track field. Enter the workshop through the door on at the NW corner of the building. Look for our sign on 7th street and near the door to the classroom.

Members, Guests and Prospective members are welcome and encouraged to attend. Meetings begin at 9am and include a club raffle, show and tell, woodturning demo and regular club business. Coffee is also provided.

Tristan's Corner:

Welcome to March. March is a busy month. We have our regular meeting the second weekend with the Oregon Symposium the following weekend. If you haven't bought your tickets to the symposium, please consider attending. If you decide not to go, 2018 will also be a great year as Oregon hosts the AAW international Symposium.

I'd like to thank Mark S. for offering to help run our AV setup. This will help us run our demos smoother and with less interruption. I think we have a good system that will only get better.

We have had a great year so far. We have added new members. This will help us grow and expand woodturning in the local area.

Tristan Holland

Jim's Program Notes:

Our demonstration for this month will be our own Steve Adams. Steve will demonstrate how to make a sphere. I think this will be new territory for a lot of us. I'm looking forward to learning how to do a sphere.

Just wanted to remind everyone that it's still not too late to register for the Oregon Wood Turning Symposium. Although the price has now increased, it is still not too late to take advantage of this educational activity. This is really an opportunity to increase your skill level by watching the professionals. Hope to see you at the meeting and at the symposium.

Jim Toftner – Program Chair

Steve Vice-President

Members from the SCWT had items in an exhibit at the Bandon Library during January and February. The exhibit was well received and had many glowing comments left in the visitor's book. Thanks to those who participated: Ron Drath, Ike Launstein, Jim Toftner, Linda Toftner, Rick Fox, Bill Bartoswicz, and Steve Adams.
