**August 12, 2017**

## **Meeting Notice:**

Our next meeting will be held on: August 12, 2017 at 9:00am

We meet the second Saturday of each month in the woodshop of the Harding School in Coos Bay. The Harding Building is located below Marshfield High School on 7th Street. Parking is behind the building near the football/track field. Enter the workshop through the door on at the NW corner of the building. Look for our sign on 7th street and near the door to the classroom.

Members, Guests and Prospective members are welcome and encouraged to attend. Meetings begin at 9am and include a club raffle, show and tell, woodturning demo and regular club business. Coffee is also provided.

## **Tristan's Corner:**

August is upon us. As I write this, I am in Ontario, OR for work. I missed the last meeting, but heard that everyone had a good time. I look forward to seeing everyone at this meeting.

Thank you to everyone that has signed up to work the Cranberry Festival. The more people we get signed up the easier it is on everyone. If anyone is still interested in signing up, the sheets will be at the meeting.

August has a history of being a fun busy meeting. See Jim's portion for more info.

I hope everyone had a good month, see you Saturday August 12<sup>th</sup>.

**Tristan Holland - President**

## **Jim's Program Notes:**

The program this month is preparation for the September Cranberry Festival. Please bring in the tops you have made for the club fund raiser. We will be reviewing what stock we have left over from last year and coverage of shifts for the festival.

This is also an opportunity for you to sell some of the things you have turned. Many of us sell some of our product in order to continue buying new tools and supplies. Remember to pick up sheets and stickers for the sale. All items need to be listed with your identifying numbers and priced ready for sale. I hope that many of you will bring in product for the sale. The club will sell your items and pay you 70% of the listed price with 30% going to club support. Hope to see you at the planning meeting.

**Jim Toftner – Program Chair**
