GOOD TURNS SINCE 2002

A Chapter of the American Association of Woodturner's

[www.southcoastwoodturners.com](http://www.southcoastwoodturners.com)

**February 10, 2018**

## Meeting Notice

Our next meeting will be held on: February 10, 2018 at 9:00am

We meet the second Saturday of each month in the woodshop of the Harding School in Coos Bay. The Harding Building is located below Marshfield High School on 7th Street. Parking is behind the building near the football/track field. Enter the workshop through the door on at the NW corner of the building. Look for our sign on 7th street and near the door to the classroom.

Members, Guests and Prospective members are welcome and encouraged to attend. Meetings begin at 9am and include a club raffle, show and tell, woodturning demo and regular club business. Coffee is also provided.

## Tristan's Corner

Is everyone having a good winter? I hope this doesn't jinx us, but I'm sure glad it hasn't been as wet as it was last year. A downfall to the nice weather though, is less time spent in the workshop.

This may sound like a broken record, but I feel it is worth mentioning again to keep it fresh on our minds. At some point in the near future we will need to find a new temporary or possibly permanent meeting place. If you know of a place that might be able to accommodate us, please let us know. We do not have a timeline yet, but it never hurts to be prepared.

Oregon will also be hosting the AAW International Symposium in 2018

(<http://www.woodturner.org/page/2018Portland>) This is sure to be a great show.

Please let one of the board members know if you are attending. We have a few local school teachers and students interested in attending. If we can get them a sponsor, their admission is free. This would be a good chance for a club member to show a teacher and students around.

See You Saturday!

**Tristan Holland - President**

## Steve's Program Notes

The demo for the February meeting will be a three-part video on turning finials. The presenter is Janice Levi and the title of the demo is Elegant Finials. I think you will find it very informative.

Janice Levi is an AAW member and her professional bio has the following:  
"I have been turning wood for 15 years and am a member of Gulfcoast Woodturners Association (Houston area) and Brazos Valley Woodturners (Waco area). I have also been involved with Southwest Association of Turners (SWAT) and served as president in 2012. I demonstrate and teach classes in several areas including ornaments/finials, pyrography, jewelry, purses, and basic turning skills. My background is in education and I have taught high school journalism and drama. I then served as a counselor for at risk and discipline problem students."

Next month's demo will be from Ike on turning bird houses.

As always, if you would like to do a demo for the club (please, please) let me know.

**Steve Adams – Program Chair**

## **Treasurers Report**

Our ending balance for the month of January is \$3,298.99

Expenditures \$68.85

Income. \$70.00

Net. -\$1.15

**Scott Hoefs, Treasurer**

## **Membership**

Linda Toftner has volunteered to be our new Membership chairman. Please thank her for being willing to take on this role.

Linda Toftner, Membership

## **Secretary Report**

**Ann Goulter**

## **Library**

Addition to our fine library, members may want to check out the offerings of the AAW web site, also try Pinterest, U-Tube, Woodturners Journal and more.

Any of these web-sites will get your creative juices flowing. Good Luck

See ya next meeting
